
Please email your assignment to the appropriate TA. Thank you! ***** This assignment is worth 20 points, and is due December 5th, 11:59PM. The purpose of this assignment is for you to practice writing introductions for blog posts and learn about some of the issues with using a word processing program like Microsoft Word as opposed to a text editor like Notepad++. Your final draft will be published on our site after we've reviewed it. We'll also provide feedback, so we recommend downloading the "Feedback Form" template from Microsoft Word and filling it out before submitting your final draft of this post (see instructions below). You can find an empty version of this post as a starting point here: <https://docs.google.com/document/d/1GpDY7Yjg7lfj3fYF8CYQb7IDWgJ5vB4TpbTeiTrJ1xA/edit?usp=sharing> . Please warn the TA if you are using this template, so s/he knows to expect your submission via email. For this assignment, you will create an introductory post for our blog that features one of our news items. You are free to introduce any story you would like, although we suggest one of the following news items: <https://docs.google.com/document/d/1GpDY7Yjg7lfj3fYF8CYQb7IDWgJ5vB4TpbTeiTrJ1xA/edit?usp=sharing>
